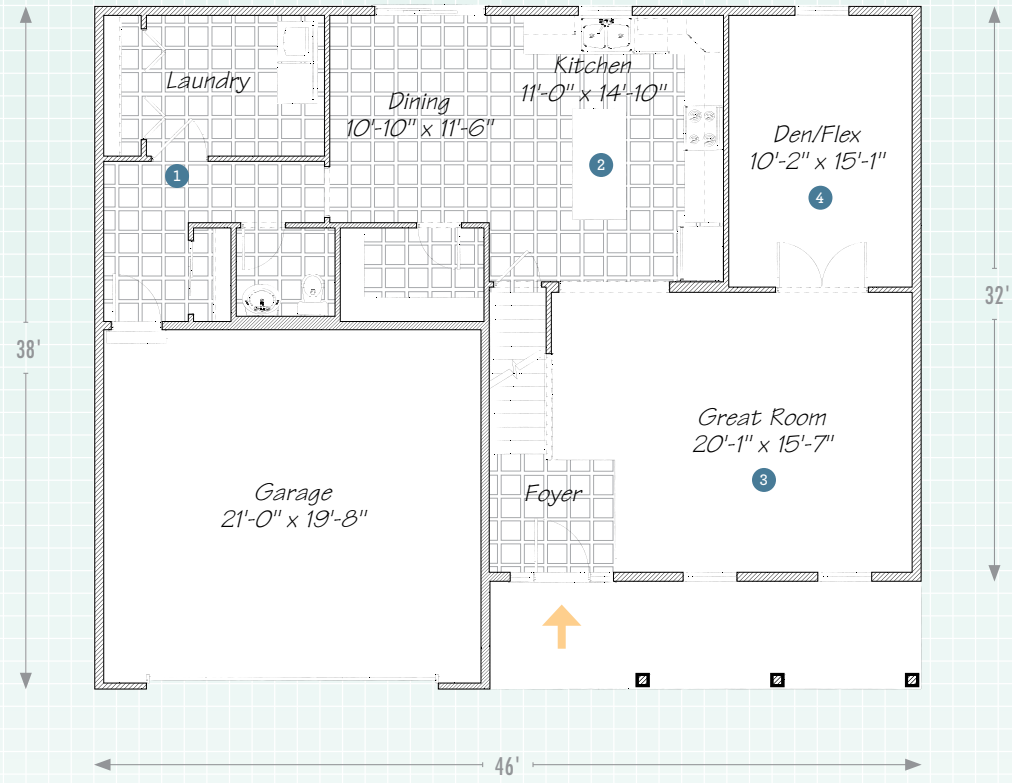
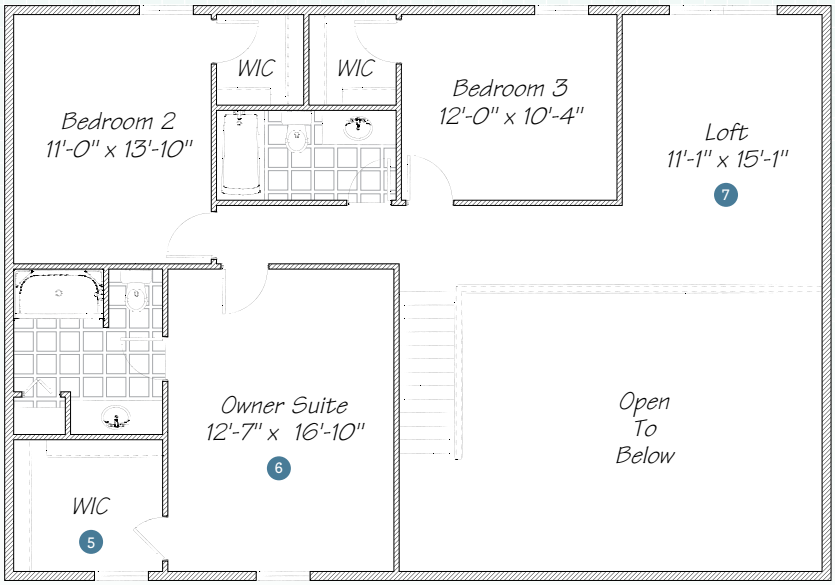
1ST FLOOR



1. The owner entry and laundry, because practical is beautiful.
2. A big kitchen with a six-foot island gives you space to create.
3. A soaring vaulted ceiling makes a great room that much greater.
4. What will the flex room be? Home office? Hobby room? Let your imagination go wild.

2ND FLOOR



5. Besides peace on earth, nothing beats a large walk-in closet.
6. Welcome to your owner suite/ happy place.
7. The open loft overlooks the great room. Unless, of course, you turn it into a fourth bedroom.
