1ST FLOOR

1 People always gravitate to the kitchen. This kitchen returns the favor with a raised eat ledge that connects to the great room.

2 You can never have too much storage, especially in the kitchen. A spacious walk-in pantry keeps things organized.

3 Private bath with huge walk-in closet turns the owner suite into an owner sanctuary.

4 Just off the foyer, the formal dining room can also be turned into a private den as an option.
