The Chelsea

1,810 Sq Ft • 3 Bedroom • 2½ Bath • Two-Story

1ST FLOOR

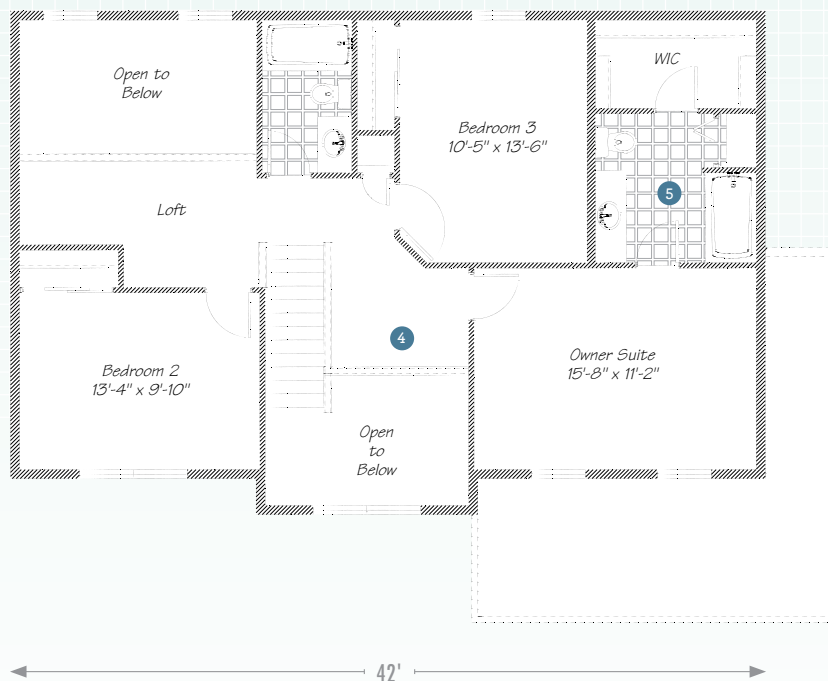

1 Two-story spaces, like this one in the great room, bring the feeling of the outdoors indoors.

2 With its door set back from the foyer, the main-floor den/flex provides a very private work space.

3 The wide-open arrangement of kitchen/dining room/great room is just waiting for you to throw a big party.

2ND FLOOR

4 This space overlooks the stairway and foyer, and welcomes you to your owner suite.

5 Big owner baths and walk-in closets are more than luxuries; they contribute to world peace.
