The Covington

2,841 Sq Ft • 3 Bedroom • 2½ Bath • Two-Story

1ST FLOOR

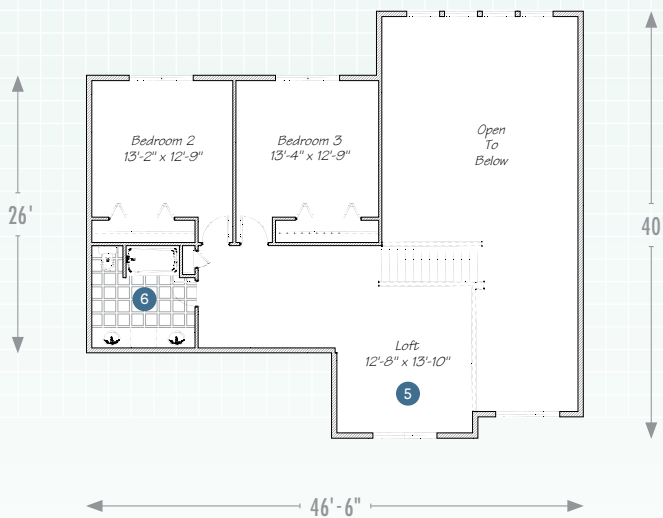

1 It may be a formal dining room, but you may come as you are.

2 First-floor laundry is right where you need it – the definition of convenience.

3 The kitchen is made for entertaining, with a big island and eat ledge.

4 A wall of windows floods the great room with natural light.

2ND FLOOR

5 Half of the oversized loft can be turned into an extra bedroom, still leaving plenty of flex space.

6 The second-floor bath's double vanity means everyone gets their own sink.
