

The McAllister

1,857 Sq Ft • 3 Bedroom • 2 Bath • Ranch

1ST FLOOR

1 A formal dining room invites more sit-down meals with family and festive dinner parties.

2 A dedicated laundry room (instead of just a laundry closet) creates the perfect landing place for people coming in from the garage.

3 Two master closets, including a walk-in, offer ample storage.

4 The connected great room and breakfast room provide space for overflow and keep everyone in the conversation.
