1ST FLOOR

① Note the separation between the owner suite and the other bedrooms. That's called "privacy."

② A closet in the laundry room means you can stow the ironing board out of sight.

③ The big walk-in pantry is close to both the kitchen and owner entry, so unloading groceries becomes a breeze.

④ Family dinners require lots of prep space. This kitchen offers plenty.

⑤ A nice long kitchen island with eat ledge lets you chat as you prep.

⑥ A luxury bath option expands both the shower and the walk-in closet.
