2ND FLOOR

1 A big island overlooking the great room, the hub of activity, is front and center.

3 Never run out of, well, anything with this walk-in pantry.

5 Keep your friends close and your clothes closer with this central laundry room.

7 Everyone deserves their own walk-in closet, so every bedroom gets one.

2 The spacious great room works for entertaining or simply relaxing together.

4 The downstairs bedroom can be customized as a second owner suite.

6 The loft is a great place for the kids to hang out; you can even add some bunk beds.

8 His and hers vanities mean he and she have what they need where they need it.
