1ST FLOOR

1 The den/flex space is your office away from the office.

2 Secondary bedrooms are positioned opposite the owner suite.

3 A great room should be big, so people can spread out. This one is huge.

4 Kitchens need counter space and this one has an expansive island.

5 The roomy owner suite has a walk-in closet and five-foot shower.

6 The laundry room is just off the owner entry for grab-and-go clean shirts.
