The Anderson

3,449 Sq Ft • 5 Bedroom • 3½ Bath • Two-Story

1ST FLOOR

1 Even better than a big kitchen island, another big kitchen island.

2 A table by the window, please, in this lovely dining room.

3 A choice of owner suites, one on the main floor and one above.

4 The laundry room is big enough to accommodate a big family.

5 A flex room just off the foyer would work nicely as a home office.

6 A two-story great room adds openness to an already open plan.

2ND FLOOR

7 The spacious, open loft is like having a second great room.

8 Plenty of walk-in closet space in the upstairs owner suite.

9 A double vanity and garden tub are part of the luxurious owner bath.

10 When everyone gets their own walk-in closet, everyone is happy.
