## 1<sup>ST</sup> FLOOR

1 The owner entry and laundry, because practical is beautiful.

2 A big kitchen with a six-foot island gives you space to create.

3 A soaring vaulted ceiling makes a great room that much greater.

4 What will the flex room be? Home office? Hobby room? Let your imagination go wild.

## 2<sup>ND</sup> FLOOR

5 Besides peace on earth, nothing beats a large walk-in closet.

6 Welcome to your owner suite/happy place.

7 The open loft overlooks the great room. Unless, of course, you turn it into a fourth bedroom.
