Realtor Rewards Program

A great home for your clients.
A great reward for you.

When you help your clients go custom with Wayne Homes, they get exactly what they're looking for. And with our industry-best Realtor rewards program, you earn a full three percent commission on the base price plus options. Paid as soon as construction begins. Because when it comes to gratitude, we happen to believe that punctuality counts.

Just remember to register your clients on or before their first Wayne Homes visit, and from there they have 120 days to sign a purchase agreement.* Also, when you become a Wayne Preferred Realtor, you can earn an additional reward on land sales.**

See? Great just gets greater and greater.
