2,011 Sq Ft • 3 Bedroom • 2½ Bath • Two-Story

The Parker

2,011 Sq Ft • 3 Bedroom • 2½ Bath • Two-Story

1ST FLOOR

- 1 A spacious great room lets the party flow smoothly to and from the dining area and kitchen.
- 2 The walk-in kitchen pantry is a must for busy (a.k.a. hungry) families.
- 3 Hmm, what to do with the flex space? Whatever you like.
- 4 The owner's suite is almost the biggest space in the house. As it should be. And you can add a door that opens right onto a back porch.
- 5 The laundry room is located close to the owner's suite, making it easy to keep dirty clothes from piling up on the floor of your walk-in closet. Well, easy-er.

2ND FLOOR

- 6 With walk-in closets of their own, secondary-bedroom occupants won't feel like second-class citizens.
