The Hampton III

2,079 Sq Ft • 3 Bedroom • 2½ Bath • Two-Story

1ST FLOOR

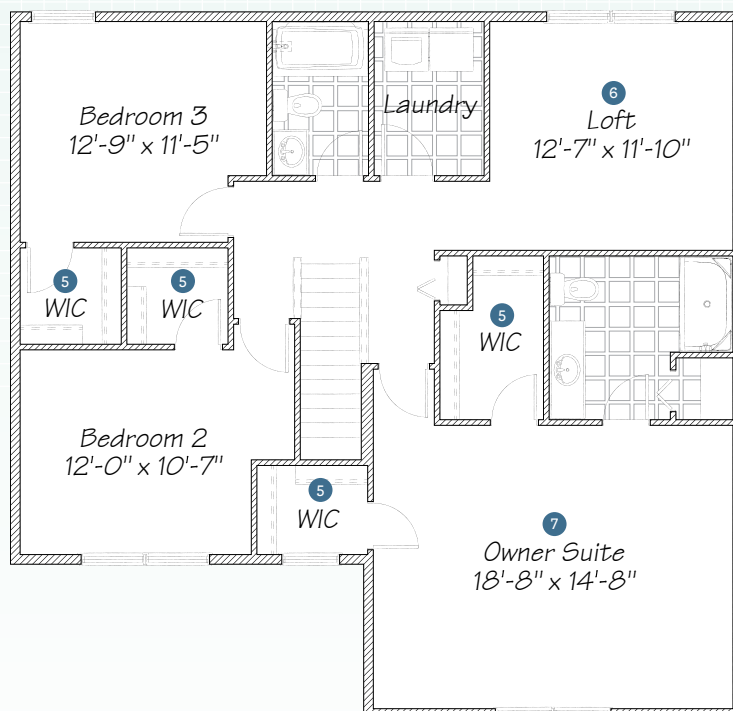

① A kitchen island that's basically a command center: cooking, chatting, homework, snack-time negotiations — all happen here.

② Open dining that flows right into the kitchen and great room, because who wants walls getting in the way of conversation?

③ An entry closet large enough to stash every coat, shoe, and soccer bag life throws your way.

④ A dedicated home office? Yep. Finally, a Zoom background that isn't your laundry pile.

2ND FLOOR

⑤ Upstairs, everyone gets a walk-in closet. And we mean everyone.

⑥ The loft makes a perfect study zone, movie room, or gaming HQ. (Or a fourth bedroom if you need it.)

⑦ The owner suite? Let's just say it's so spacious you might text your spouse from across the room.
